

News from the GreenGetters

It's the Month of Love *Love your little one*

As some of you may know, a little bundle of joy joined our family 10 months ago. I realised what a struggle it is to find good baby products without sodium lauryl sulfates (SLS) or sodium laureth sulfates (SLES). (Read more about why this is bad for your baby here:

<http://enchantrix.co.za/chemicals-in-baby-products/>). I started using the organic range, Enchantrix, for my baby and I wish I used it from Day 1! I will never again use any other product on my baby's precious skin.

Their products are available in selected shops, but are so popular that I always struggle to find the products that I need, thus we have decided to start selling their baby products.

We sell the following products:

Baby Bum Cream (100ml)	R49
Kids Bubble Bath (500ml)	R69
Baby Wash (500ml)	R69
Baby Lotion (250ml)	R49
Toothpaste – Peppermint (100ml)	R29

Email your orders to info@greengetters.co.za. Payment via EFT and delivery either with your collection (Earth Friendly Option) or when preferred. FREE delivery in Centurion.

IMPORTANT NOTICE

For those of you that missed the communication that we sent out in November 2011 with regards to our new bag system, here's how it's going to work this year...

Each customer will receive 100 clear bags (made from recycled plastic) per year for FREE! The first batch of 25 will be delivered with our last February 2012 collection. These bags should last the average household for a year.

Additional bags can be bought from us at a cost of R37.50 for 25 bags. We decided to do this because we had a big problem with bags that got stolen from the bins.

To prevent your recycling bags from being used for other purposes than recycling, we suggest that you store it away from your normal refuse and other plastic bags.

2012 Fees are effective from 1 March 2012
