<b>Metal</b>	<ul style="list-style-type: none"><li>• Tins and cans and other metal products like steel, copper and aluminium.</li></ul>

### How to recycle:

1. Make space for a recycle station at your work or home.
2. Make sure that your recycling is clean before you recycle!
3. Sort recycling by product type into old bags or boxes.
4. Take your recycling to the local recycling drop-off depot, buyback centre or get someone to collect it from your work or home.
